

Digestive Health Center

ERCP Instructions

See Medication Information sheet.

The day of the procedure:

- No solid foods for 8 hours prior to the test.
- Clear liquids up until 6 hours before your arrival.
- You may take heart and blood pressure medications.
- If you have an inhaler, bring it with you.
- Do not take any insulin or diabetes medications.
- Wear comfortable clothes; you may feel bloated after.
- **You will need a driver** that day because of the sedation you will receive.
You will not be able to drive or work the rest of that day.
